this event. No refunds unless event is cancelled.

Events like *Golf fore the Kids* raise funds to support the Plainfield chapter of Kiwanis, a community based organization with an emphasis on helping the children of Hendricks County. Our chapter's activities include a scholarship program for high school seniors, financial assistance for children undergoing medical procedures in local area hospitals, and support for mental health services and basic needs services for school-aged children.

In 2021, our chapter held our first Golf Fore the Kids fundraiser and we were overwhelmed by the community's support. With the proceeds from that event, we awarded scholarships to two Plainfield HS seniors, donated to the Plainfield Girls Softball Association, Plainfield HS Boys Soccer, and the Optimist Club football program for youth equipment, sponsored K-Kids Youth Clubs at Van Buren, Brentwood and Central Elementary and distributed more than 300 cards of comfort to four local nursing homes. We donated to the Plainfield Library Summer Reading Program, the Plainfield Youth Assistance Program (PYAP), and also provided Christmas gifts and clothing to children in PYAP. We look forward to raising more funds this year to continue our Kiwanis mission of Serving the Children of the World.
